Auction*

Benefitting
Nathan Hale Classrooms and Library

Welcome Parents, Alumni, Staff and Friends!

On behalf of the Foundation, welcome to Nathan Hale's Heart of the Community Dinner and Auction. The funds we raise tonight will be used to bring much-needed books and equipment into the Nathan Hale library and classrooms. The building is in Phase 2 of its remodel. And what we do here tonight will fill these spaces with brand new tools for student learning

We are continually reminded that a great school is possible only through the support of its community. We have in this room staff who teach and create the next generation of citizens, and parents who entrust the school with their children. We also have alumni, retired staff, alumni parents, the designers of the remodel, and members of the District. In short, all who make Nathan Hale a vibrant and dynamic learning environment and I believe, the best public high school in the city. Thank you for your support.

I would like to give special acknowledgment to our Auction volunteers. It has been an honor and privilege working with you. You make all this possible.

Thank you for joining us tonight. We are doing a very good and necessary thing in support of Nathan Hale students. Now, please relax and enjoy the evening. Let's build a school where Raiders Read!

Sincerely,

Sincerely,
Steve Reynolds, President
Nathan Hale High School Foundation

Auction Rules

Registration

Upon entering the auction, you will receive your bid number. Use only the bid number assigned to you for bidding on silent and live auction items.

Silent Auction

The Silent Auction opens at 5:00 PM. The minimum bid and minimum raise for each item is written on the bid sheet by the item. To be valid, bids must comply with these minimums and be legible.

To place a bid, sign your name and bid number with your bid amount on the bid sheet. Doing so constitutes a legal contract to purchase that silent auction item at the price you stated if your bid is the winning bid. The last (highest) valid bid entered prior to the section closing will be the winning bid.

A maximum guaranteed bid is stated on each bid sheet. By signing your name and bid number in this box, the bidding closes. The item is yours.

The Auction Committee reserves the right to withdraw any item at any time without notice before the actual sale. In the event of a dispute, the Auction Committee shall act as final authority in determining the winning bid.

Live Auction

Live Auction bidding will begin at 7:30 PM. When bidding, please hold up your bid number toward the auctioneer. The Live Auction will continue until all items are sold.

If a group is bidding on one item, please designate one person to place your combined bid. Auction items will be awarded to one purchaser only.

A bid acknowledged by the auctioneer is a legal contract to purchase the item.

Payment

All items must be paid for by the end of the evening. For your convenience we gladly accept Cash, Check, MasterCard and Visa.

Pick-Up

Once you have paid for your winning items, you will be issued a receipt. Please present this receipt at the Pick-Up Table to claim your winning tangible items and/or certificates for services.

It is the responsibility of the purchaser to locate and remove his/her winning item(s) by the end of the auction.

Terms of Sale

Unless otherwise noted, all certificates for goods and services must be used within one year of the auction date. All items and services are subject to the terms and conditions specified by the donors.

All sales are final. There will be no exchanges or refunds. The Nathan Hale High School Foundation does not make any expressed or implied warranties or guarantees on auction items regarding quality or value of items or services. Nathan Hale High School Foundation has attempted to describe and catalog all items correctly, but all items are offered and sold "AS IS" and "WITH ALL FAULTS."

Nathan Hale High School Foundation neither warrants nor represents, and in no event shall be responsible for the correctness of descriptions, genuineness, authorship, provenance or condition of the items. No statement made in this catalog or made orally at the auction or elsewhere shall be deemed such a warranty for tax purposes or market value. Items have not been appraised unless otherwise noted.

Reservations for trips and vacation accommodations must be mutually arranged with the donor unless otherwise noted. No refunds will be allowed on travel packages for canceled tickets and/or accommodations.

By the buyer's purchase, the buyer waives any claim for liability against Nathan Hale High School Foundation, its elected and appointed officials, members and employees, sponsors, volunteers connected with the auction, and/or the donor of the item. Neither the Nathan Hale High School Foundation nor the donor is responsible for any personal injuries or damage that may result from the use of the property or services.

Tax Information

This catalog lists the fair market value of each item. Any amount you pay in excess of the fair market value would normally be available to you as a charitable contribution for tax purposes. Please check with your tax advisor for specifics.
